BLOSSOMS BY BIKE

Want to see those famous cherry blossoms hassle-free? Bike away from the crowds and cover more ground than walking with our Blossoms by Bike tour. Our guides have improved this tour by researching the terrain, traffic patterns, and blossoms to make your experience enjoyable.

Blossoms by Bike is offered daily during the festival (March 25 through April 9) from 3:00 to 5:00, with additional weekend tours starting at 9:30 and 12:30.
